

Supply List for 26 Point Moravian Star Lighted Class

Description:

So stained glass has become a hobby of yours and every holiday you always get the same questions from your friends and family, "Do you make those Lighted Moravian Stars?" You've always answered "I don't know how." Well this holiday season, you can answer them, "YES! Check out this 26 Pointed Moravian Lighted Star I made!" All your friends and family will be asking for one next holiday.

In this intermediate five-day class, you will learn all the steps to create a beautiful 26 Point Moravian Lighted Star which can retail for \$500 or more! Students are to bring their own glass, supplies and tools. Lighting supplies are included.

For the first week, students will need to bring:

Materials:	Recommended by Instructor:
Glass: 1 full sheet & 1 half sheet <i>(works best if full is cut in half)</i>	<ul style="list-style-type: none"> • Iridized Waterglass • You will be cutting on both sides so it is best to not pick something too textured.
