

Supply List for Leaded Stained Glass Window for Beginners

Description:

Students will be able to build a 12" x 18" Victorian stained glass window by using introductory methods of leaded stained glass assembly technique. These techniques are often seen through out custom liturgical/ecclesiastical stained glass window installations. This course covers the construction of a classic leaded Victorian stained glass window. Students will also learn the basic principles of safety, proper lead and glass handling, glass cutting, layout, lead fabrication techniques, cementing, putting, polishing and waterproofing the window.

**When: Wednesdays from
Mar. 31st – Apr. 21st**

Time: 6pm – 9pm

**Instructor: Ryan Dreeland
Number of Students: 3 – 8**

Cost: \$130
